

Living Allowance

PSSSP provides a living allowance to full-time students who qualify under this policy. The following are the different types of residents that qualify for living allowance under this policy:

9.7.1 Category I Resident – A student who lives on any First Nation reserve, and chooses to attend an approved institution whose head office/primary campus is located on a reserve.

9.7.2 Category II Resident – A student who lives off-reserve but chooses to attend an approved institution whose head office/primary campus is located on a reserve.

9.7.3 Category III Resident – A student who lives on and off-reserve and chooses to attend an approved institution whose head office/primary campus is not located on a reserve.

The following is a breakdown of the different allotments for living allowance:
